

January 2013

Greetings,

Last November A Handful of POISE Boutique kicked off our 1st annual *Be-YOU-ti-Ful Girl Project* and will run our program throughout the year. Our mission is to promote and reward positive growth in young ladies who have shown improvement in their *Academics, Character, Community Service* and or *Personal skill set*. We believe that any growth is a step towards enhancement. It is our goal to reach and reward as many young ladies in our community through our Cutie Pie Pampering Spa, Etiquette and Fashionista Corner services.

Being *Be-YOU-ti-Ful* —represents the inner being of every young woman. It allows every young woman to freely express who she is through her brilliance, creativity and services to others. If you would like to submit your organization's name and acknowledge a group of young ladies in the community please give us a call or complete the contact form on-line at www.apoiseboutique.com and someone from our staff will contact you!

Best Regards,
